THE ATLANTA NEW ERA.

PUBLICATION DAY--THURSDAY OF EACH WEEK.

On or before September 1, 1873, will be issued "THE ATLANTA NEW ERA," a large thirty-two column weekly newspaper, published at the capital of Georgia, devoted to Politics, News, Literature, and the best interests of our whole country.

In Politics the New Era will maintain the principles of the National Republican Party. It will rally around the banner of a restored Union the intelligent masses of the American people, and battle manfully for the maintenance of the proper rights and privileges of all, at every hazard, without fear or favor.

On the conservation of the true principles of Republicanism depends the welfare of the American people, and the perpetuation of national independence. To the attainment of this great end the New Era will labor, relying for its support upon the honor, the intelligence, and the patriotism of American freemen.

The material, social, and intellectual interests of Georgia and the South will receive its earnest and devoted attention, and nothing shall be omitted which can add to the interest and value of its publication, and entitle it to the rank of a first class newspaper.

The New Era will be the only Republican paper in Georgia, and will be the official organ of the United States Government and of the national Republican party of the Union. Its circulation will be large, and its prominent position will at once entitle it to the consideration of merchants and business men in all sections of our common country as one of the best advertising mediums in the South.

UNDERGROUND RAILROAD.

A RECORD OF

Facts, Narrating the Hardships,
Hair-Breadth Escapes, and Death
Struggles of the Slaves in their
Efforts for Freedom.

BY WILLIAM STILL.

For many years connected with the Anti Slavery
Office in Philadelphia, and Chairman of the
Acting Vigilant Committee of the Philadelphia
Branch of the Underground Railroad. Illus-
trated with 70 fine Engravings by Ben-
schel and others, and Portraits from Phot-
ographs from Life.

From a great number of cordial letters com-
mending the *Underground Railroad*, the Author
solicits a few brief extracts only from eminent
friends of Freedom who have examined the work.

From Wm. Lloyd Garrison:
"I have examined it with a deep and thrilling
interest. It is a most important portion of Anti-
Slavery history. Its reliability, moreover,
cannot be called in question. It is a book for
every household."

From S. P. Chase, Chief Justice of U. S. Su-
preme Court:
"No one probably has had equal opportunities
with yourself of listening to the narratives of
fugitive slaves. No one will repeat them more
truthfully, and no stories can be more fraught
with interest than these."

From J. M. McKim:
"A book so unique in kind, so startling in its
narrative, so trustworthy in its statements,
cannot fail to command a large reading now,
and in generations yet to come."

From Hon. Henry Wilson, Vice President:
"You have done a good work. The story of
the heroic conduct of fugitives of oppression,
and of the devotion of their friends, will be
read with deep interest, especially by the old
friends of the slave in the stern struggle through
which we have passed. I hope your labors will
be rewarded by a grateful public."

From Hon. Charles Sumner:
"The *Underground Railroad* has performed its
part, but it must always be remembered grate-
fully, as one of the peculiar institutions of our
country. I cannot think of it without a thrill-
ing heart."

You do well to commemorate those associ-
ated with it by service or by benefit—the sa-
vivors and the saved."

From Hon. Greeley:
"For most of the years I have lived, the escape
of fugitives from slavery, and their efforts to
reach the home and other kindred who
tracked them, formed the romance of American
History. That romance is now ended, and our
grandchildren will hardly believe its leading
incidents except on favorable testimony. Re-
joice that you are collecting and presenting
that testimony, and heartily wish you a great
success."

From Wm. H. Furness, D.D.:
"Having read this record of 'THE UNDER-
GROUND RAILROAD,' I can only say that it is a
work of extraordinary interest and value, and
as an illustration of the terrible despotism
which a little while ago reigned over us all, and
which is now (thank heaven!) no more."

From John G. Whittier:
"The book is more interesting than any romance.
It will be of permanent value to the historian of
the country during the anti-slavery struggle."
I cheerfully commend it to the public press."

From Gen. O. O. Howard:
"You could not prepare a report that would af-
ford more instruction and interest to me than a
detailed history of the operations of the so
called 'Underground Railroad.' I am delighted
at the examination I have been permitted to
give the proof, and think thousands will rise up
to call you blessed for your faithful record of our
'legalized crime.'"

From Hon. Henry C. Carey:
"Mr. Still's work appears to me to be one of
great interest, and I most heartily unite in re-
commending it to the public attention."
